

INTRODUCING MSP IT VENDOR SUMMARIES FOR PUBLIC COMPANIES

USING THE MSPAA

SIMPLIFYING EXECUTIVE DECISIONS

Unlock a new horizon in vendor selection and technical service procurement with the MSPAA – your conduit to vetted Managed Service Providers (MSPs) that align with your corporate ambitions.

Amidst the myriad of technology options, executive teams strive to make informed decisions that propel their organizations forward. The MSPAA brings a streamlined approach to vendor review, offering executive summaries that unveil interested MSPs, tailored specifically to your company's needs, without the influx of sales calls and email bombardment.

KEY BENEFITS OF THE MSPAA

- Providing a curated selection of premier Managed Service Providers eager to serve your business needs.
- Unbiased evaluation of MSP partnerships sourced from a diverse network of MSPs vetted by industry specialists according to your specific criteria.

1. Criteria-Based Summary of MSP Vendors

- Save precious time with our concierge-style executive summaries from interested MSPs based on the requirements of your scope.
- Engage with the MSP service vendors, tailored precisely to your vision and goals.

2. Comprehensive Summaries of MSPs on Core Competencies

- **Operational Readiness:** Ensure MSPs are equipped to support your company's workflow and scale.
- **Technical Capability:** Access in-depth evaluations of technological proficiency and innovation potential.
- **Business Culture:** Align with MSPs whose cultural ethos and business practices complement your own.

3. Your Executive Summary Advantage

- Swiftly review the shortlist of IT vendors that meet your stringent standards without the extensive internal resources and groundwork.
- Gain an immediate understanding of which MSPs are geared to handle complex, company-specific challenges.
- Access rich insights into the MSP landscape, designed to guide your executive team toward informed strategic partnerships.

4. Delivery of your Executive Summary and Engagement

- Finalize your executive decision by reaching out to the presented MSP vendors to explore the potential fulfillment of your request.

Take the first step in elevating your executive decision-making with the Managed Service Providers Association of America.
